

MATTHEW APPLETON

Da oltre vent'anni tiene seminari e conferenze dedicati alla consapevolezza Pre e perinatale in Inghilterra, Europa, Sud Africa e Stati Uniti. Direttore di Conscious Embodiment Trainings con sede a Bristol (UK). Psicoterapeuta corporeo (Core Process Psychotherapist), operatore di Craniosacrale. Da lungo tempo lavora con i neonati, i bambini e gli adolescenti. Si è formato in psicologia pre e perinatale con Karlton Terry in Svizzera. E' insegnante senior con l' Institute of Pre and Perinatal Education. Autore di *A Free-Range Childhood*, volume tradotto in diverse lingue.

Matthew Appleton co-founded Conscious Embodiment Trainings with his partner, Jenni Meyer, and a registered craniosacral therapist and psychotherapist working in Bristol. He trained in Body Psychotherapy at the Wilhelm Reich Institute of Integrated Therapy in Germany and in Core Process Psychotherapy at the Karuna Institute in Devon. He further trained and assisted with the Institute of Pre- and Perinatal Education and is a member of the International Society of Prenatal and Perinatal Psychology and Medicine. For ten years he worked as a houseparent at A.S. Neill's famous democratic school Summerhill. His book *A Free Range Childhood* based on his experiences at Summerhill has been published in several languages. He developed and began teaching Integrative Baby Therapy (IBT) in 2010. Along with facilitating experiential workshops for adults, the main focus of his work is training practitioners in IBT in several European countries. www.conscious-embodiment.co.uk
